Dear Mark + Adrian -

On behalf of the Osterville Business and Professional Association, we want to thank you very much for your help and participation in our 22nd Annual "Osterville Village Day".

We certainly appreciate your extra efforts and interest in our Association and our Village of Osterville. It is this kind of support that helps to maintain the unique atmosphere that we all enjoy in our Village, and also helped to make it such an enjoyable and successful "Day" for all!

Thank you again!

Most sincerely,
